D.1.1 Road Asset Management Manual

D.1.1
Road Asset
Management
Manual

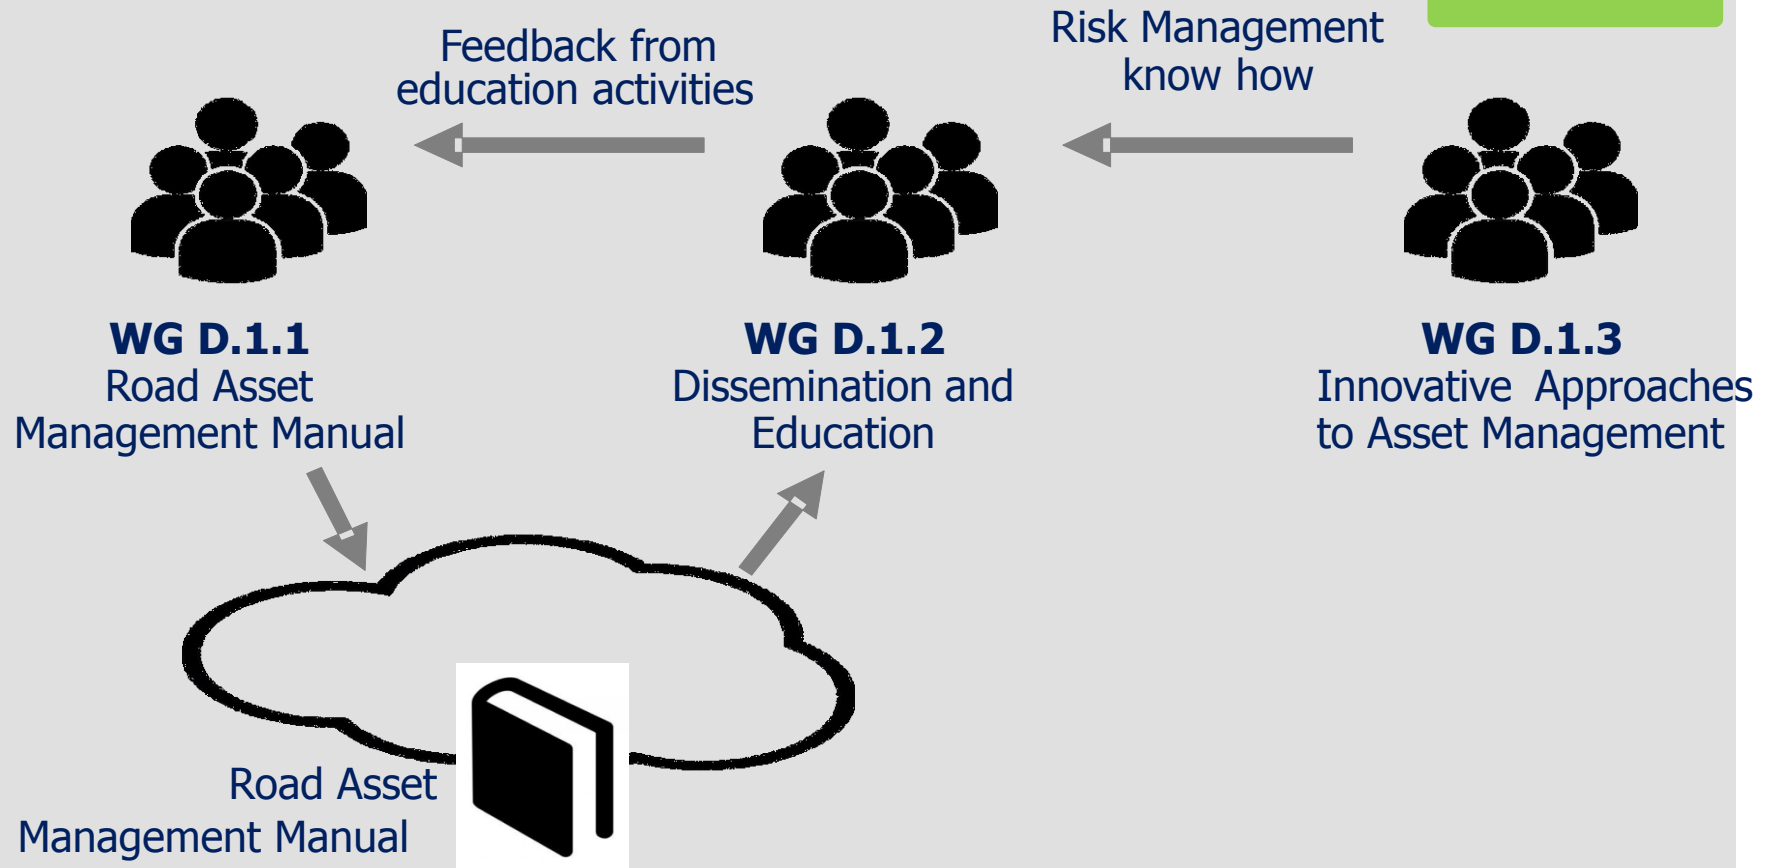

The screenshot shows the website for the PIARC Asset Management Manual. At the top left is the World Road Association logo. The main header reads "ASSET MANAGEMENT MANUAL A GUIDE FOR PROFESSIONALS!". Below this is a navigation menu with categories: MANAGEMENT, DATA AND MODELING, PLANNING, APPLICATION, and GOALS. A search bar is also present. The main content area features a "WELCOME TO THE PIARC ASSET MANAGEMENT MANUAL" section, followed by introductory text about road infrastructure assets and a call to action to register for a free account. A "GIVE US YOUR FEEDBACK!" section is also visible. A large watermark "https://road-asset.piarc.org/en" is overlaid diagonally across the page.
